Notes:

- To complete the minor, students should take courses from at least three disciplines.
- Students may petition for MCS-220 to substitute for DIGS-200 if scheduling requires it. See website for link.
- Students may also choose to apply a special topics course, if appropriate, to the minor. See website for link for this form.
- Any students wishing to be added to the mailing list should contact program coordinator(s) Christine Iannicelli and/or Kara McShane!
